Augentius Scores a Double Hat Trick

Augentius has been named as Private Equity Fund Administrator of the Year, for the third year in succession at last night's Private Equity News annual awards ceremony. In addition, Augentius has recently been named for the third year in a row as the Top Rated Private Equity Fund Administrator in London and the Channel Islands by Global Custodian – the leading securities industry publication.

“Both of these awards have been achieved as a result of responses from clients and the industry as a whole”, commented David Bailey, Managing Partner. “Everyone at Augentius strives tremendously hard to provide the highest level of service to all our clients and for these efforts to be recognised in this way, by our peers, is absolutely fantastic.”

“As our industry grapples with increasing regulation, on both sides of the Atlantic, we will all have to handle and accommodate changes in practices and procedures. Life is just going to become even more complicated” he commented. “Augentius will continue to remain at the forefront of the industry, expanding our business into locations where our clients want us to be and developing our services and technology to meet the individual needs of our clients”.
